Product Description

A one-sided cast coated paper with a mirror-like, high gloss white finish, designed for excellent print results with dry toner printers. Available with various adhesive options, including permanent, removable, freezer, and wine adhesives.

Features

- Mirror-like, high gloss finish for brilliant print effects.
- Multiple adhesive options: Permanent, Removable, Freezer, and Wine permanent.
- Dry toner compatible.
- Suitable for high-impact graphics and promotional labelling.
- Acrylic adhesives (emulsion water-based) offer strong, multipurpose adhesion, including for curved or rough surfaces (min. diameter 25mm).
- FDA compliant adhesives for indirect contact food packaging (21 CFR 175.105).

Applications

- High-impact labels and signage.
- Large window stickers.
- Point-of-purchase (POP) advertising.
- Promotional and general labelling.
- Suitable for applications requiring high gloss and whiteness.

Not Recommended For

- Dusty, lubricated, or dirty surfaces.
- Surfaces not tested for compatibility.
- Applications requiring repositionability once adhered.
- Surfaces where the curve diameter is less than 25mm.
